Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
Appropriation $ 7,275.00

Selectmen's Comment:

This is an increase of $439.00 over the previous year, due to the increase in expenses pertaining to Town Hall.

It was pointed out that the increase in expenses was mainly due to the rising costs of heating oil needed to heat the Town Hall. Motion carried.

Article 3: To see if the Town will vote to raise and appropriate the sum of $1,400.00 for salaries of Police Department. In response to an inquiry, a detailed description of the services offered by the Police Chief was given. Motion carried.

Article 4: To see if the Town will vote to raise and appropriate the sum of $1,100.00 for Town Welfare, Old Age Assistance. Motion carried.

Article 5: To see if the Town will vote to authorize the Selectmen to sell the old Forest Fire Truck. Funds from this sale would be used toward the purchase of a Government surplus equipment vehicle and/or repair of presently retained equipment such as pump and hose. Motion carried.

Article 6: To see if the Town will vote to raise and appropriate the sum of $200.00 for purchase and maintenance of forest fire equipment. Motion carried.

Article 7: To see if the Town will vote to raise and appropriate the sum of $318.06 for Town Road Assistance. Motion carried.

Article 9: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. Motion carried.

Article 10: To see if the Town will vote to raise and appropriate the sum of $100.00 for a contingency fund. Motion carried.

Article 11: To see if the Town will vote to raise and appropriate the sum of $3,500.00 for summer and $8,000.00 for winter road maintenance. Motion carried.

Selectmen's Comment on this article:

During the fall of 1978 and winter of 1979 we incurred heavy expense for snow removal. The appropriation was $9,000.00, and we spent $11,740.64; therefore we have a deficit of $2,740.64 to make up.

Article 12: To see if the Town will vote to raise and appropriate the sum of $86.00 to support the mental health program of Monadnock Family and Mental Health Service. Motion carried.

Article 13: To see if the Town will vote to appropriate the sum of $6,405.31 for highway construction and reconstruction. Motion carried.

Selectmen's comment on this article:

These funds for expenditure are designated to the Town through the Highway Subsidy Fund for work on Class IV and V highways. The appropriation does not affect your tax rate, but to be properly expended, a vote is required.

Article 14.: To see if the Town will vote to appropriate the sum of $4,611.91 for maintenance of Class V highways. Motion carried.

Selectmen's comment on this article:

This is a special fund allocated to small towns called the "Duncan Fund" to be used only for road maintenance on Class V roads. The appropriation does not affect your tax rate, but to be properly expended a vote is required.

Article 15: To see if the Town will vote to raise and appropriate the sum of $112.20 as the Town share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission. The funds to be used for financing the staff, operation expenses, planning, studies, technical assistance, and other programs of the Commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

Article 16: To see if the Town will vote to raise and appropriate the sum of $87.80 for other operating expenses of the Planning and Zoning Board. Motion carried.

Article 17: To see if the Town will vote to raise and appropriate the sum of $150.00 for emergency assistance to Town Poor. Motion carried.

Article 18: To see if the Town will vote to raise and appropriate the sum of $250.00 to be paid for dump privileges in the Town of Marlborough. Motion carried.

Article 19: To see if the Town will vote to raise and appropriate the sum of $364.00 as its fair share of stand-by costs for use of the City of Keene Ambulance Service. Motion carried.

Article 20: To see if the Town will vote to raise and appropriate the sum of $2,175.00 to cover the Town's cost of a soil survey and associated maps and reports to be conducted by the U.S.D.A. and Soil Conservation Service and the Cheshire County Conservation District. If not expended during the year, the funds to be placed in the capital reserve fund until such time as this project is completed.

Selectmen's comment:

Inserted in Warrant at the request of the Planning Board. Please read report of the Planning Board for further explanation.

An explanation was made by Dr. Thomas Benson, Chairman of the Planning Board, to enable town residents to better understand the value of a soil survey in relation to proper growth for the Town. Motion carried.

Article 21: To see if the Town will vote to raise and appropriate the sum of $4,004.00 to have the Town land and buildings reassessed by the State Tax Commission. If not completed during the year, the funds to be placed in a capital reserve fund.

Selectmen's comments:

The Town was reassessed to 100 per cent valuation in 1972. Since that time we have not reassessed the Town except for additions and new housing. The assessment ratio for 1979 is now 56 per cent, and the Selectmen recommend a reassessment at this time to equalize the tax structure. To assist in reducing the estimated cost of $4,004.00, refer to Article 22, requesting consideration that $2,900.00 be allocated from Federal Revenue Sharing as an offset. The net cost to the Town would be approximately $1,104.00 for reassessment. Motion carried.

Article 22: To see if the Town will vote to raise and appropriate and authorize the withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budgeted appropriation for the following specific purpose, and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Reassessment of Town	$ 2,900.00

Motion carried.

Article 23: To see whether the Town will vote to reopen approximately nine hundred (900') of Davis Road, from the George Davis residence, which section is now closed, subject to gates and bars, by appropriating sufficient Town and State funds to raise that section of the Davis Road to a Class V highway. Estimated cost of construction is $36,500.00.

In the discussion which followed, it was pointed out that this section of road had been closed years before, along with other town roads, for the purpose of reducing town expenses incurred through maintenance of roads no longer needed for access to residences. The article had been entered in the warrant because, in order to meet State requirements, the section of road must be reopened prior to a building permit being issued for the purpose of construction of a private residence.

A motion was made and seconded (prior to the above discussion) to pass over this article. This motion carried.

Article 24: To see if the Town will vote to adopt a plan for extending to employees of the Town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors, Disability and Health Insurance) as Chapters 302 and 332 of the laws of 1955, and to raise and appropriate the sum of $283.61 to defray the Town's share of the cost thereof.

At the last Town Meeting, we voted to have the Road Agent appointed by the Selectmen. We appointed Robert Fifield as Road Agent, and as a Town employee, we are obligated to pay one-half of his Social Security obligation. An oversight on our part did not include this in an article last

year; therefore, in order not to jeopardize Mr. Fifield's Social Security account, we paid the money from Highway Funds this year. The Selectmen recommend passage. Should we be required for some reason, to "outside contract" the road maintenance, we would not be required to reimburse an independent contractor.

Motion Carried.

Article 25: If a plan for Social Security coverage is adopted, to see if the Town will authorize the Selectmen to execute, on behalf of the Town, the necessary agreement with the State of New Hampshire to carry into effect the plan, and to see if the Town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Selectmen's comment:

If you adopt Article 24, you must adopt Article 25.

Motion carried.

Article 26: To see if the Town will vote to establish a committee of three persons to study the cemetery situation as to recommended care and plot plan. The committee members to be appointed by the Selectmen and report at the next Town Meeting.

Selectmen's comment:

Years ago, records on the cemetery were burned in a fire. No proof exists in regard to designated lots, although some residents feel that they have picked out a lot. It is a guess where some people are buried, due to lack of proper markers or destroyed markers.

Motion carried.

Article 27: To see if the Town has any desire to erect a new church on the site of the former church in Roxbury. Funds for the construction to be derived from contributions and donations raised through the efforts of a Church Committee formed specifically for the purpose of planning this project. The Church Committee to be organized through volunteers at this Town Meeting.

Submitted at the request of Yvonne Every Spalthoff, Ronald Spalthoff and others.

A discussion followed in which it was decided, though there was little strong support, that the issue not be completely forgotten. Further action on the project will be studied. Motion Carried.

Article 28: To see if the Town will vote to raise and appropriate $600.00 to purchase one "Kustom Signals TR-6 Traffic Radar" system with antennae (used) for use by the Police Department to enforce traffic speed laws in the Town of Roxbury, and to attempt to curb the possibility of serious accidents and injuries.

Submitted at the request of Police Department.

Details relative to the purchase of this used equipment, and the need for the use of it in the Town of Roxbury, was given by the Chief of Police. Motion carried.

Article 29: To transact any other business which may come before the said meeting.

A motion was made and seconded to increase the cost of rental of the Town Hall to Roxbury residents to $30.00 due to increased cost of heating the building. Motion carried.

William Hamill, School Board Member, urged Town residents to attend the School Board Meeting scheduled for March 22nd, 1980, and to further support the proposed school budget increase of 17½%.

An interest was shown in the historical background of the Town of Roxbury. Dr. Thomas Benson, Chairman of the Planning Board, stated that Planning Board member Seaver Gilcreast, Jr., is presently researching the Town history and will give his notes to the Planning Board for inclusion in that boards comprehensive study of Roxbury.

A motion was made and seconded to close the meeting. Meeting closed at 9:03 P.M.

Respectuflly submitted,

AUDITORS REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1980.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen, and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1980 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, Road Agent and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been varified by written notice.

I would like to thank the town officials for their co-operation and assistance during the period of the audit.

Respectfully submitted,
Oliver F. Derby

ANNUAL REPORT
ROXBURY PLANNING BOARD
1980

During the calendar year 1980, the Town of Roxbury Planning Board met on seven occasions, including its regular meetings and one Public Hearing.

Work on the Master Plan continued during the year. A proposed policy statement of the Master Plan was prepared by the Board with the help of SWNHRPC and distributed to all town residents. A Public Hearing was held on December 11, 1980 at which time the proposed statement was open for discussion by the Townspeople. Minor corrections were made and the Board will vote on approval after one more Public Hearing early in 1981.

No new subdivisions were granted in 1980.

The comprehensive soil survey is now in progress and hopefully will be completed within a few months.

A new member, Marie Clark, was appointed to the Planning Board by the selectmen to replace Norman Duplissie who resigned.

Regular meetings of the Roxbury Planning Board will be held on the third Wednesday of every month at 7:30 P.M. at the Roxbury Meeting House: March 18, May 20, July 15, Sept. 16, Nov. 18, 1981 and Jan. 20th 1982.

Respectfully submitted,
Dr. Thomas Benson, Chairman
Barbara Neylan, Secretary
Richard Whipple, Selectman Representative
Seaver Gilcreast, Jr.

POLICE DEPARTMENT ACTIVITIES FOR 1980

The following is a list of activities for the year 1980, reported to this department:

Total Complaints:	**31**
Motor Vehicle Accidents:	
Fatalities	1
Personal Injury	2
Property Damage	8
Arrest Statistics:	
Violations	3
Misdemeanors	5
Felonies	0

During the past year, I have received some questions as to how a person in the Town can contact the Police. The following is a procedure that will insure Police response:

1. Dial 352 - 1100 if there is an emergency situation. Otherwise, dial 352 - 1291. This will give you Fire Mutual Aid in Keene. These people dispatch for all towns in Cheshire County.

2. **STAY CALM.** Answer all questions that are asked of you. Be sure to give **EXACT** locations. Bear in mind that there are no house numbers and people responding to assist you will be guided only by your directions.

3. If the dispatchers cannot get in touch with me, the matter will be dispatched to the N. H. State Police. If the complaint is an emergency, Police will be enroute immediately. However, remember the N. H. State Police cover the entire county. It may take some time before Police are actually on the scene. If the complaint is not an emergency, the N. H. State Police will handle the call on a priority basis for the rest of the County.

If the above procedure is followed, you will have Police responding to your call.

The radar unit bought for the town has proven to decrease the number of speeding motor vehicles through the town. From the month of June to the end of the year, the radar has been used 43½ hours. I have only had 3 speeding motor vehicles during this time. Compared to last year when radar was run approximately 12 hours. During that time I had stopped 28 motor vehicles for speeding.

If there are any questions that I can answer for you, I will be more than happy to do so. Except when I am working nights, I am usually in the Selectmen's office Mondays at 7:00P.M. If you have a problem that occurs only at certain times, let me know. I will attempt to be in that area, in that general time frame. If I am not aware of the problem, I can not do anything to correct it.

I feel that the Police Department is improving as a whole. The Uniform Crime Report system developed by the State is being used by the department. This is very helpful as far as obtaining information from reports and also as an aid in planning patrol. This year, I intend to improve the Department response to calls from the citizens of the town. Also, I hope to obtain more equipment to help me do the job throughly.

Respectfully submitted,
Earl Douglas Nelson
Chief of Police
Roxbury Police Department

REPORT OF THE SCHOOL BOARD REPRESENTATIVE
1980 - 81

This past year was a busy one for the M.R.S.D. School Board. A series of meetings in each of the District's eight towns was held to discuss the space needs of the District. The outcome of these meetings is a bond proposal for a high school addition of six rooms to be presented to District voters at the March 7, 1981 Annual Meeting.

Other activities of the Board included major revisions and up-dating of all School Board policies, a review of each instructional area including comprehensive reports from the individual department heads at the elementary and secondary levels, the establishment of a working committee to develop plans for assisting the gifted and talented students of the district and a comprehensive review of our elementary and secondary facilities by the State Department of Education which has resulted in several positive recommendations for improvement.

Overall it was a very good year for the Monadnock District - a year that saw the football team winning, a turn around of student attitudes and spirit, great improvement in the discipline area and an improvement in School Board responsiveness to the special needs of the staff, faculty and students of the District.

Respectfully submitted,
William A. Hamill
School Board Representative
